Amidee Haviland, Carlton Levine, Frank Palermo and James Skoufis, Councilmen

Absent: None

Also Present: Joseph Gianzero, Parks Director; Fred Ungerer, Parks Commission; Maria Hunter and Lorraine McNeill, Village Planning Board

**1. Discussion – Parks Department:**

Parks Director Gianzero gave a presentation to the Board explaining the plans for the 2011 season. He explained in detail how employees are hired, how residents are going to be informed on events, plans for Camp Rez and all other events and activities. Earls Reservoir is scheduled to open May 28 and the CV Pool is scheduled to open June 25. The Board asked questions about specific procedures and offered recommendations to improve interaction between the lifeguards and the children at the parks. The concession stand was discussed and it was decided that improved selections for the vending machines will be researched for cost effectiveness. It was noted that many restaurants in Town currently deliver to both parks constantly throughout the summer. Discussion was also held regarding opening the CV Pool earlier and Parks Director Gianzero stated it would all be based upon the number of lifeguards able to be hired and their availability. There are plans to construct a building at Earls Reservoir and Councilman Palermo asked if the Parks Department will be able to be housed in the building as planned. Parks Director Gianzero stated the building is able to be added onto but as planned it would not be large enough to also contain the Parks Department.

**2. Adjournment:**

With no further business to discuss, a motion was offered by Councilman Palermo, seconded by Councilman Skoufis, to adjourn the meeting at 8:25PM.
