

ATTENTION WOODBURY RESIDENTS

THE HIGHWAY DEPARTMENT WOULD LIKE TO INFORM ALL OUR NEIGHBORS OF THE SERVICES WE PROVIDE

IN AN EFFORT TO KEEP OUR TOWN CLEAN AND FREE OF MESSY GARDEN WASTE, WE ASK THAT ALL RESIDENTS FOLLOW THESE SIMPLE RULES.

LEAF BAGS: Brown paper recyclable bags will be picked up each Monday (**Weather and emergencies permitting**) in the Spring from April 15th - June 15th, and again in the Fall from October 1st - December 15th (**or the first snow fall**). Leaves, pulled weeds and small twigs are acceptable in leaf bags. Plastic bags are not permitted at all. **No grass clippings are allowed.**

Note: The Highway will not remove leaf bags left behind by a private Landscaper. The Highway Department does not service Private Roads of Private Developments. (*Brigadoon will receive services, once the Town/Village accepts the Roads*)

BRANCHES: From April 15th - June 15th, branches will be picked up at curb side, (**not in the road or drainage ditches**). Place the butts of the branch towards the road no longer than 5 feet in length, and 5 inches in diameter. A maximum of 3 yards per household per Season. We also take Christmas Trees from curb side until January 30th.

Note: The Highway will not remove branches or brush left behind by a private Landscaper. The Highway Department does not service Private Roads of Private Developments. (*Brigadoon will receive services, once the Town/Village accepts the Roads*)

INCLEMENT WEATHER: During Winter and Summer months, we will pick up debris caused by **severe storms only**.

The Highway Department wants to keep the Town as tidy as possible, and it is up to all of us to work together and keep our Town a beautiful place to live and work in.

For more detailed information on our services call our office or visit our web site at: www.townofwoodbury.com
