HIGHLAND MILLS LIBRARY

16 County Route 105

In honor of National Composting Day, May 29th, the Town of Woodbury Climate Smart Community Task Force will be offering residents and businesses compost bins at a discounted rate of \$54.95.

Food waste contributes to the cost of trash removal and contamination of recycled materials. By composting we can reduce overall waste and create a wonderful amendment to our garden soil.

Pre-order compost bins by June 10th
