IV. Board Meeting Comments:

Councilwoman Hernandez stated the Board will be soliciting nomination of individuals in the community that went above and beyond to help during the Coronavirus pandemic. Individuals selected from the nominations received will be honored at the second meetings held in July and August. More information will be available on the Town’s website, on social media and from the Town Clerk’s Office. She noted there is a lot of tension in the community due to the current unrest in the country. She asked that everyone remember our humanity and encouraged all to be kind to each other. She then noted we are approaching summer and asked all to remember to practice social distancing and be patient while we navigate each phase. She also asked that everyone follow posted speed limits.
Councilman Burke noted the parks will open this weekend and he is looking forward to seeing everyone. He reminded there will be limitations that the Town is required to adhere too due to the phasing requirements. He then thanked all the Department Heads for the job they do.

Clerk Potvin noted at the last meeting Attorney McKay requested a conference call be scheduled with Bond Counsel to go over the steps to be followed relating to the John P Burke Pool improvements/reconstruction. She asked to be included in this conference call due to the election she is responsible to oversee. She asked if the conference call will be held. Supervisor Palermo stated he spoke to bond counsel (Bob Smith) and he was supposed to call her today to go over the details. He then noted the Board will be adopting the bond resolution on July 2 and the vote will be held on September 9.

Attorney McKay stated the BOAR will be holding its meetings very soon and his office has been in touch with them to be sure video conferencing goes correctly. He will be speaking with them about procedures and histories of applications that are submitted regularly.

Supervisor Palermo stated the next Board meeting will be held in the meeting room and the Junior Deputy Supervisor’s program will resume. He noted the pool will be open on Saturday 10AM-8PM and we are required to limit attendance on the beach to 200 at a time. He asked everyone to be patient while we navigate through these requirements. The Parks Department has created a Facebook® page and will provide updates on counts so you should check there before you arrive to see if there is room.
